🔗 EngYoussefBahy

👤 PROFILE

Motivated computer science student eager to contribute technical skills to Google.

🎓 EDUCATION

Computer Department, Faculty Of Engineering, Cairo University Cairo, Egypt
Expected Graduation Date: May 2026
GPA: 3.75/4.00

🧠 SKILLS

Language

C++, C, Python, MySQL, HTML, CSS, JS

Competitive Programming

Codeforces, Leetcode

📁 PROJECTS

Paint For Kids [🔗](#)

- This is an educational project for **OOP**, written in **C++**.
- I was interested in the part of **GUI** and **Output File**.

October 2022 –
December 2022

Scheduling System [🔗](#)

- This project is based on **Data Structures** Especially on **Queues**
- I'm interested in how to schedule these CPUs together by the Scheduler using some Algorithms, like **FCFS**, **RR**, and **SJF** scheduling Algorithms.

February 2023 –
May 2023

🔧 COURSES

Data Structures and Algorithms

Object-Oriented Programming

Database Systems

Software Engineering

🔗 EXTRACURRICULAR ACTIVITIES

Summer Workshop on Data Structure and OOP

June 2023

Member of ACM ICPC FE-CU Community

September 2023 –
present
